

THE BRANDON LEARNING CENTRE 2nd ANNIVERSARY

Established in 2006, the Brandon Learning Centre has grown into a centre with more than 200 students. Today, we do not just offer classes for individual learners but also schools including Victoria Shanghai Academy and St. Francis' Canossian and corporations including Reuters.

We are very proud to be an English Speaking Board school. We have worked with a number of educators, teachers and language specialists from around the world to educate ourselves and develop innovative programmes that aim to instill confidence in our students. Some courses have gained immense attention from our parents, include:

- ESB Public Speaking Programme
- Speech Festivals Preparation
- Competitions Preparation (Public Speaking and Speech)
- School Interviews Preparation
- Common Entrance Exam (UK)

Capitalising on our expertise and experience, we will look into the opportunity to apply the curriculum to other languages include Mandarin, to further enhance students' speaking abilities.

Speaking of Success

Over the years, we have:

- **Gained 100% pass rate** in 2007 & 2008 ESB assessments; 45% of our students were awarded the grade of Merit plus and Distinction.
- **Achieved some excellent results** in 57th, 58th and 59th HK Schools Speech Festivals.
- **Successfully prepared** students for schools included DGS, Eton, Harrow, United World College, Shrewbury, Sedburgh, St. Stephen's, St. Paul's Upper Canada College, Winchester and Wycombe Abbey.

Our success is a real tribute to power of group efforts. Our teachers, students and parents all share a common goal.

Thank you very much to parents who have provided invaluable ideas for us. Special thanks to the English Speaking Board, schools and organisations that have been so supportive of us. Every compliment is a great motivation for us.

The greatest barrier to success is lack of confidence and we are glad that you have made a great start in developing your child to becoming a confident speaker.

We are looking forward to planned expansion to Kowloon and hope that we will see confident faces in our classes.

ABERDEEN MARINA CLUB

Ladies Circle Talk :

Preparing your child for entry to UK Schools

"I am planning to send my daughter to a number of top boarding schools in the UK and this seminar has given me a big picture of what I should do to choose suitable schools for my child and prepare her for the interviews and entrance exams."

- AMC parent Mrs. Chan

Understand the UK Education System

The talk held on 20th September attracted over 20 AMC members who are preparing their children for entry to UK schools. The parents were very engaged in the preparation procedures and many of them asked inspiring questions.

Topics included:

- Identifying suitable schools
- Understanding what the school is looking for
- Preparing your child for an interview
- Understanding the Common Entrance/specific school entrance exam

Jessica explained the school process

Preparing your child to study abroad requires careful selection and in-depth research about the schools of your choice. The more you prepare your child for the school, the more your child will be able to adapt the new school.

COMMON ENTRANCE EXAM PREPARATION COURSE

Be prepared to impress!

We will be offering a new preparation class for students preparing for the Common Entrance Exam (13+) and Winchester College Entrance Exam.

The new classes which will cover

- **English**
- **History**
- **Geography**
- **French**

These exams are challenging and we are building a number of extra exam practice sessions into the course. Progress is carefully monitored throughout the course.

Verbal reasoning and Interview skills

We are also offering verbal reasoning and interview skills courses. Please contact us to discuss these and the common entrance exam in more detail.

We have experience with Hong Kong, US, UK, Canadian and Australian school entry! Last year we prepared students for Winchester College, Harrow, Sedbergh, Upper Canada, Wycombe Abbey, St. Mary's and for interviews at Badminton, Eton, Tonbridge, United World College, DGS, St Stephens and Sevenoaks.

Please call us on 2575 1761 to discuss the details.

**If you think that our school is good;
Please tell your friends.**

**If you think that we can improve;
Please tell us!**
